## Le modèle économique anglo

I am enormously grateful and I think now we all deserve an excellent glass of wine.

## Commonwealthmen

The only final observation I might make is to link it once again to what is coming here next month. In terms of the substance of the communiqués, from an FCO point of view, we would probably be a bit more generous in the assessment of ourselves than you were, Anji, in terms of not getting everything we wanted. I remember her looking very bemused during the national anthem because, as John said, it was a new version of it, which nobody recognised.

## Reconstructing Britain after World War Two

It began in 1975 as the G6, and the following year became the G7 with the addition of Canada. CHOGM Commonwealth Heads of Government Meeting.

## Britain says regrets role in anti

Sir John Holmes I just wanted to make a point that follows on very neatly from what Martin was saying. Chambers Concise Dictionary, Edinburgh: Chambers, 1990.
