About Shito

Bookmarklets There is a way to enable word translation from any page:. The guilt of what he had done led Shisui to consider himself a murderer, causing him to awaken his Mangekyō Sharingan, which he used as a constant reminder of his remorse and vow to never succumb to such feelings ever again. Also, unlike most Sharingan-based genjutsu, this technique does not

White is void, it is pure; a blank canvas worn during each new experience in a life of karate practice. We also collaborate with the SEISHINKAN group.

Shisui Uchiha

His genjutsu was especially powerful, hailed as the most powerful user of the clan. Another benefit to awakening his Mangekyō Sharingan was manifesting. It demonstrates community in the dojo; a positive conformity to a group of individuals who seek an activity of self-improvement.

Where the heroine steps foot upon, within the old shrine, are traces of an ancient tragedy. Shisui wrote a suicide note telling his clan he cannot follow through with the coup d'etat, but his clan's made them unable to understand this, preventing them from understanding his desire for peace and reconciliation.
