The Creativity Bookstore

This is my favorite catalogue of creative thinking tools.

The Creativity Bookstore

I did find a few useful ideas that I can use in my work since I have to talk about problem solving so much but over all I didn't find anything astounding in it and I felt it did not meet the objectives it set out for the book.

Creative Solution Finding : The Triumph of Breakthrough Thinking over Conventional Problem Solving: Nadler Ph.D., Gerald, Hibino Ph.D., Shozo, Farrell, John: 0086874517141: play.fridaynightfunk.rf.gd: Books

And even for non-business types. I ended up skim reading the areas that looked helpful.

The Study of the Creativity Phenomenon in the Education of Midchildhood

I also did not like the premise that the problem with problem solving is that we think to much about all the information we need to make decisions but the book is almost 500 pages.

The Creativity Bookstore

By increasing our understanding of how the mind works, Buzan shows us how to use our brains to the best advantage. And, by all means accept the challenge!!! We encourage you to visit DirectedCreativity. Osborn had a model for the creative process that included detailed preparation before a brainstorming session and development of ideas after.
