## Search

Very minimal damage to the cover including scuff marks, but no holes or tears. An impressively thorough exploration of the changing functions, character and experience of English towns in a key age of transition which includes smaller communities as well as the larger industrialising towns. .

## ENGLISH TOWN, 1680

Among the issues examined are demography, social stratification, manners, religion, gender, dissent, amenities and entertainment, and the resilience of provincial culture in the face of the growing influence of London. Will be a good Reading copy. At its heart is an authoritative study of urban politics: the structures of authority, the realities of civic administration, and the general movement for reform that climaxed in the Municipal Corporations Act of 1835.

## The English Town, 1680

A book that has been read but is in good condition. The majority of pages are undamaged with minimal creasing or tearing, minimal pencil underlining of text, no highlighting of text, no writing in margins.
