## Primary Sources

Darwin's ideas were adapted from biology to sociology by Benjamin Kidd, whose *Social Evolution* 1894 was published in the United States and England to immediate popular acceptance. The creation of large farms led to landlessness among the peasant farmers. These questions have been addressed from a wide variety of disciplinary and analytical traditions.

## Africa

Facts are in any case more important than accusations. Book 2 of *The Heart of the Matter* is populated with such figures.

## Official Guide to South Africa 2018/19

Leaders of the Communist Party of South Africa were mostly white.

This facilitated purchases of munitions and food in the and neutral countries.

## The origins of South African music

World War ii greatly hastened the process through the Japanese displacement of the colonial powers in southeast Asia, the further weakening of those powers at home, the intensification of anti-imperialist opinion throughout the world, and the atmosphere of change that permeated many of the colonies.
