The Anabasis: Or, Expedition of Cyrus, and the Memorabilis of Socrates

Accordingly, Clearchus did not ascend the crest, but posting his army at its base, he sent Lycius of Syracuse and another to the summit, with orders to inspect the condition of things on the other side, and to report results. THERE MIGHT BE DELAY THAN THE ESTIMATED DELIVERY DATE DUE TO COVID-19.

The Anabasis of Cyrus

But now we will imagine a man exempt indeed from all the above defects—a man who has no objection to receive kindnesses, but it never enters into his head to do a kindness in return.

He found less difficulty in abstaining from beauty's fairest and fullest bloom than many others from weeds and garbage. His last book was probably *Poroi e peri prosodon Ways and Means* , in which he suggested methods for improvement of Athenian public to become famous in the Roman imperial period.
