A Brief History of the University of Illinois

Attempts at agricultural education proved premature. Outside influences are represented by the state legislature, trustees, benefactors, alumni, parents, employers and those who shape public opinion.

Schuhcke, Jeff

There are a number of private dormitories around campus, as well as 15 private, certified residences that partner with the university to offer a variety of different housing options, including ones that are cooperatives, single-gender or religiously-affiliated. My mom, who was preparing to let go of her first baby me, the first young woman in the family who'd go to college, looked out over the Quad where thousands of students passed by on that lunch hour.

Horticulture: University of Illinois Extension

Examines the diversity of political thought in the twentieth century by exploring the ways that Americans from diverse backgrounds have talked about, made sense of, and sought to influence change in modern American government.
