Draw in the area from your stomach to your lower abdomen while keeping your anus loose and inhaling slowly.

The Shogo FAQ

In this context, title is a bit more accurate. Tanden is the same as that character, it is something that is built through self-cultivation. Pull your left foot back while inhaling.

At the same time, loosen your fists and loosen your five toes. Other organizations will use the title shihan in addition to hanshi, independently of the formal shogo system.

Solo Training for Kokyu

To a non-Japanese speaker this sounds obvious. Yes, it can get a little confusing! In the American Budo Society, all black belts can promote up to two levels below themselves.
