**Military history of African Americans**

Ellison returns the salute of Mac Ross, one of the first graduates of the Tuskegee cadets. Consequently, the publication of Benedict's proposed of August 1917 was roundly ignored by all parties except Austria-Hungary.

### First divorce in the colonies

The war was to last until 1918 and end in failure for the Ottomans and their allies. Some 11,800 British Empire soldiers, most of them Indians, became prisoners after the Siege of Kut in Mesopotamia in April 1916; 4,250 died in captivity.

### American Expeditionary Forces

Logistic operations were under the direction of Chicago banker , with the rank first of Col.

### 24. World War II

A number of nationalists opposed intervention, particularly within states that the nationalists were hostile to. Army Center of Military History.

### 24. World War II

The Ottomans and Germans were aided by and forces, together with a large number of major Iranian tribes, such as the , , , and , while the Russians and British had the support of Armenian and Assyrian forces. By the spring of 1915, the Russians had retreated from Galicia, and, in May, the Central Powers achieved a remarkable breakthrough on Poland's southern frontiers with their. Two naval supply depots were located at Waiawa Gulch.

### World War I

Rather than continuing the Amiens battle past the point of initial success, as had been done so many times in the past, the Allies shifted attention elsewhere. Bradshaw Crandall, *Are You a Girl with a Star-Spangled Heart?* Despite this enormous German success, the manpower required by the Germans to occupy the captured territory may have contributed to the failure of their , and secured relatively little food or other for the Central Powers war effort. However the AEF did not participate at the front until October 21, 1917, when the fired the first American shell of the war toward German lines, although they participated only on a small scale.
