A word about theological manuals

Not until the period of the did the science of pastoral theology take its present systematized form. Pastoral theology presupposes other various branches; accepts the apologetic, dogmatic, exegetic, moral, juridical, ascetical, liturgical, and other conclusions reached by the ecclesiastical student, and scientifically applies these various conclusions to the priestly ministry.

It is not too much to hope that the , which had to be adjourned indefinitely after a few general sessions, will be followed by a similar period of progress and splendor. . Rightly does theology cling to the only true and eternal philosophy of common sense, which was established by in the Socratic School, carried to its highest perfection by Plato and , purified from the minutest traces of error by the Scholastics of the thirteenth century.

But a celebrated difficulty has arisen as to whether this office can be exercised by simple priests, whose position lies midway between that of the bishops and that of the deacons. But the achievements of controversial, positive, and scholastic theology deserve a passing notice. Hence it is called Supernatural Revelation, and sometimes Revelation pure and simple, because it is more properly a disclosure of something hidden.

He who proposes the question at all knows and confesses by that very fact: first, that it is not lawful to act with a doubtful conscience, that he who performs an action without being firmly convinced of its being allowed, commits sin in the sight of ; secondly, that a law, above all the Divine law, obliges us to take cognizance of it and that, therefore, whenever doubts arise about the probable existence of an obligation we must apply sufficient care in order to arrive at certainty, so that a frivolous disregard of reasonable doubts is in itself a sin against the submission due to. Germany produced many useful manuals, e. Commentarii; Gaudentius Brixienensis, Summa, etc.

Paul contrasts the Jewish and heathenish sacrifices and rites with those of the Christians. The State of Grace continued — The Holy Ghost the Substantial Complement of Accidental Grace 472 § 147. The sacred rite which we are here concerned with is the sacrament properly so called, instituted by Christ for the remission of sin.

A Manual of Catholic Theology: The Sources of Theological Knowledge, God, and the Supernatural Order

This intrinsically relative character of the sacrifice of the Mass does not in the least destroy or lessen the universality and oneness of the sacrifice on the Cross, but rather presupposes it; likewise the intrinsic propriety of the Mass is shown precisely in this, that it neither effects nor claims to effect anything else than the application of the fruits of the sacrifice of the Cross to the individual, and this in a sacrificial manner. The form of Confirmation --that is to say, the distinguishing element which marks off the imposition of hands and anointing from the ordinary profane use of these acts consists in words suited for this purpose. After a person has been born again, and cleansed of from his original stain, he needs to be spiritually strengthened by the Holy Ghost to enable him to overcome the enemies of his soul; he must be enrolled in Christ's army, and a mark must be set upon him whereby he may be known to be a Christian soldier.
