This work is in the public domain in the United States of America, and possibly other nations.

Fusang, Or, The Discovery of America by Chinese Buddhist Priests in the Fifth Century

I have read other accounts by the french scholar and they seemed ok to me, as Yoritomo Tashi writings.

Fusang, or, The discovery of America by Chinese Buddhist priests in the fifth century (1875). By: Charles Godfrey Leland: Charles Godfrey Leland (August 15, 1824

Within the United States, you may freely copy and distribute this work, as no entity individual or corporate has a copyright on the body of the work.

Fusang, Or, The Discovery of America by Chinese Buddhist Priests in the Fifth Century

In summary, this is my appreciation of the book. One of the perennial pre-Columbian contact theories involves ancient visits by the Chinese to America. This is a pre-1923 historical reproduction that was curated for quality.

Fusang, Or, the Discovery of America by Chinese Buddhist Priests in the Fifth Century by Professor Charles Godfrey Leland (Paperback, 2011) for sale online

Author isn't too assumptive but keeps possibilities open. This book, from the series Primary Sources: Historical Books of the World Asia and Far East Collection , represents an important historical artifact on Asian history and culture. .
