The Rise and Fall of Communism by Archie Brown

If they do not learn the lesson and do not reform their conduct of affairs, they lose their wealth. NGOs, while indispensable actors in terms of implementing ground-level capacity building, mostly operate at the pleasure of national governments, and have little recourse if asked to cease operations or even leave a state entirely.

Pitchfork Politics

The future of this liberal order hinges on the ability of the United States and Europe—and increasingly a wider array of liberal democracies—to lead and support it. Each member of the Security Council shall for this purpose be represented at all times at the seat of the Organization.

America In Free Fall

Today, this liberal international order is in crisis. Broad and militant protest and sustained political mobilization shook the stability of trilateral governments.

Locking More People Up is Counterproductive

Recommended citation: Christopher Abernathy et al. The only downside was that probably too much information is given even when there is no justification.

Economic Freedom, Democracy, and the Quality of Life

Various regional bodies also monitor implementation of human rights. President Obama has largely ignored the old ideal of the melting pot and in its

place preferred a salad-bowl multiculturalism of competing ethnicities, tribes, and races, whose activism wins concessions from local, state and federal governments. Liberal internationalism has survived its 200-year journey into the current century because, with liberal democracy at the core, it offered a coherent and functional vision of how to organize international space.

UN Charter (full text)

For a broader context, see Francis J.

Locking More People Up is Counterproductive

It subsequently became dogma that the United States not only is a democracy but exemplifies the ideal of what democracy should be. In the 20th century, economists became enamored of macroeconomics and technique over microeconomics and institutions.

Democracy doesn't matter to the defenders of 'economic freedom'

The state itself was largely propped up by Soviet and Chinese assistance, and the Kim family has taken power in a dynastic way. Then I paused and asked - But who will decide what any man's need is and what his capacity is? Redemption: The Last Battle of the Civil War.
