Cyrus Eedding states 1' Even from my heart much health, I wish, No health I'll wash with drink, Healths wish'd not wash'd, in words, not wine, To be the best I think. An Act for enclosing and dividing the Common Fields, Wastes, and Unenclosed Grounds, within the Manor, Township, or Hamlet, of Ashenden, in the County of Bucks; and for the making effectual certain Exchanges therein mentioned. Descriptive Catalogue of London 1855 Traders Burne, Peter.

London Lives ~ 2020 ~ Chapter 3 : Protest and resistance: 1713

Q 226 NINETEEN CENTURIES OF DEINK. Worried that imported calico cloth would lead to the collapse of their trade, in 1719 and 1720 journeymen weavers waged a successful campaign against its use, culminating in the passage of a statute in 1721.

Draught of An Intended Act, for the Better Regulation of the Nightly Watch and B 9781140840534

The corruption laid bare in the South Sea Bubble provided a new language that could be used to critique aggressive prosecution of crime and oppression of the poor. Sedley employed Killigrew and another to procure a remission from the king; but mark the friendship of the dissolute they begged the fine for themselves, and exacted it to the last groat.

St. Martin in the Fields. By virtue of an act of Parliament, entitled, An act for the better regulating the nightly watch and beadles within the Parish of St. Martin in the Fields, within the liberties of the City of Westminster; and in pursuance thereof, at a vestry held in the vestry

This was at the rate of 13%d. But the practice of justices regularly attending vestries became normalised in many suburban parishes in the 1730s, allowing the vestries in collaboration with justices to take direct control of setting and auditing their own rates, sit in judgement on poor law and vagrancy cases, and generally assume the full authority of the law.

Draught of An Intended Act, for the Better Regulation of the Nightly Watch and B 9781140840534

Two innovations in particular had a major impact of the lives of the poor and the deviant for more than a century. Palinodia and his Progress to the 1634 Tavern Peacham, T. It may be remembered that this poet was the author of the epigram whose last line runs,—*Lympha pudica Deum vidit, et erubuit.*

List of Acts of the Parliament of Great Britain, 1760

The office was a full-time job with a salary, and many served in the post for years, sometimes also acting as constables. After the goose, some of the gentlemen took a dram of brandy. A writer cited by Timbs notes that ' since their first institution they have smoked fifty tons of tobacco, drank thirty thousand butts of ale, one thousand hogsheads of red STUART PERIOD.
