**Peavy, George Wilcox 1869**

Willem de Kooning was such a major figure in the art world and because of that I have dedicated the , andposts in this series on him. It requires that the roots of one's being go down into the soil of life. He turned to the Ecole des Beaux-Arts, hiring Eugene Letang, a stone-cutter in his youth, and graduate of L'Ecole, as the first director of architectural design at MIT.
