## A Bear of a Poem: Composing and Performing Found Poetry

You may have to do a little screening here. Combining content and form creates a powerful poem. I would imagine she holds the copyright.

## Behind the Poem: A Teacher's View of Children Writing

Encourage ideas To promote discussion, seat children in mixed attainment pairs and take regular breaks for them to talk to their partners and generate ideas. Students read a wide range of literature from many periods in many genres to build an understanding of the many dimensions e. Some students may be able to copy down the poem into their notebook.

Record it on paper or the board. Take photos of the poetry art to archive for later discussion.

## Edutopia

This can be done on paper, digitally, on a large sheet of butcher paper on the ground, or on the sidewalk by your classroom. Then, using a smartphone or tablet device, consider taking the time to video your budding classroom poets reading their favorite lyrics -- or have them do it.
