**differences were only in the the moral equivalency of Stalinism and Nazism in Anatolii Bakanichev's Twelve Years behind Barbed Wire.**

Books Razhnev Gennadiy Nastoyashchee izdanie v nauchno-populyarnoy literature osushchestvlyatsya v pervye. The memoirs of Nikolai Nikolaevich Boldyrev and Vsevolod Vasil'evich Gorshkov both suggest that former POWs played a key role in helping lead Gulag uprisings in 1953-54.

**PeterShop**

Arzamaskin, Zolozhnik Vtoroi mirovoi voyny: Repatriatsii sovetskikh grazhdan v 1944-1953 gg. Before delving into Bakanichev's memoir itself, a discussion of terminology is necessary.

**PeterShop**

Looking back on his own life, Bakanichev saw the story of a young man whose dreams of academic success were suddenly interrupted by war and terror. Cited in Shneer, Plen, 252-53.

**Mechenye (1999 edition)**

These ambiguities help explain the fact that, despite Bakanichev's emphasis on the harmful legacies of Stalinism and the need to resist tyranny, there is no evidence that he became an active political dissident. As an example of this choice, Bakanichev related the story of his own briefly successful escape from the Stalinist Gulag. After all, in Germany tens of people said the same thing to me about Hitler.

**PeterShop**

Indeed, Bakanichev's memoir has a tendency to speak in personalized terms about both Stalinism and Nazism, most often using Stalin's and Hitler's names in their adjectival Russian forms stalinskii and gitlerovskii. These limitations were comparable to those applied to convicted criminals and released Gulag inmates. Vashchenko, Iz zhizni voennoplennogo Paris: YMCA Press, 1987 ; M.
