## Dialogues of the Carmelites

You know nothing of the solitude in which a real religious is exposed to living and to dying. For the infirmity of our nature likes for us to see our own miseries first in others.

## Dialogues of the Carmelites

Chacune ici a déjà trop à faire de ses propres illusions. The immediate success of *Tirésias*, premiered June 3, 1947, coupled with its resourcefulness in adapting his gift for the arrestingly ravishing melodic oddment to a large canvas, boosted 's confidence. A good servant is always where she needs to be and never draws attention to herself.

## The Power of Francis Poulenc's of the ~ The Imaginative Conservative

Oh, yes, you are on fire to take the last place. About the same time, M.

## Dialogues des Carmélites: The Spiritual Advice of Mother Henriette

Dieu se glorifie dans ses saints, ses héros et ses martyrs. The last nun to be executed is Sister Constance. Blanche initially panics and runs away, but at the last moment she finds her courage, steps out from the crowd, and joins her sisters at the guillotine.

Ne sont-ils pas forcés de reconnaître que la croyance en Dieu est un fait universel? She finds herself thrust into the ultimate test of her courage and faith. While traveling to the address, Blanche learns that all the other nuns have been arrested and sentenced to jail. The Mother Superior informs her that the Carmelite Order is not a refuge; it is the duty of the nuns to guard the Order, not the other way around.

## 1989 Dialogues des Carmelites

The Carmelites nuns prepare for the guillotine. As they complete their task, they talk about the passing of a former nun, which reminds Sister

Constance of her recent dream. God has taken your honor in charge, and it is safer in his hands than in yours.

**Dialogues des Carmélites: The Spiritual Advice of Mother Henriette**

À lire nos bons livres, on pourrait croire que Dieu éprouve les saints comme un forgeron une barre de fer pour en mesurer la force.
