SAGE Reference

Comprehensive in its scope, this text explores how the field has developed, the current state of the discipline, and where this dynamic profession is going.

SAGE Reference

Herr, leaders in counseling education and research, this volume provides readers with the state-of-the-art theory and research today. Herr The Handbook of Counseling

Handbook of Counseling Women

In addition, critical cutting-edge issues, such as responses to social and professional diversity, computer applications, and the state of independent counseling practice, are discussed. Edited and with chapters contributed by the leaders in counselling education and research, including several past-presidents of the American Counselling Association, this Handbook is comprehensive in its scope. Comprehensive and accessible, the Second Edition is organized into three parts covering theoretical, sociocultural, biological, and developmental considerations; assessment, diagnosis, and intervention; and supervision, research, and ethics.

The Handbook of Counseling

Thousand Oaks, CA: SAGE Publications, Inc. Published in association with the British Association for Counselling, the Handbook of Counseling provides a definitive source of information and guidance for counsellors both in training and practice.

Handbook of Counseling Women

Each chapter is fully referenced. The Handbook of Counseling Women, edited by Mary Kopala and Merle Keitel, draws together a nationally recognized group of contributing scholars and practitioners to address current theories, research, and issues relevant to the mental and physical well-being of women.

The Handbook of Counseling

. A landmark publication, The Handbook of Counseling defines the field of counselling - how it has developed, the current state of the discipline and profession, and where this dynamic field is going.

SAGE Reference

The contributors, all experienced practitioners, explore the major arenas and settings in which counselling is practised as well as the key themes and issues faced by those working in this field. This edition of the handbook has been thoroughly revised and updated to reflect the pace of growth and change within counselling over recent years.

Handbook of Counseling Women

This is an excellent library resource with complete appendices of American Counseling Associations. Gladeana McMahon is a counsellor, trainer and supervisor in private practice, London.
