She was the recipient of the Global SELF Self-concept Enhancement and Learning Facilitation Research Network Highly Commended PhD Award 2013 based on her PhD research on a longitudinal intervention to enhance academic self-concept and academic achievement among Chinese students. Enough has been said about the old man, so I will not touch on how good or bad he was as a leader and as a person for Singapore. His works can be found on Asian Politics and Society, East Asian Policy, Journal of Contemporary China, and Place Branding and Public Diplomacy.

Academic Staff

SO your ah gong and your party say that Singapore is very fragile. Norman loves listening to podcasts and plays mostly watches Basketball.
