## Cohodas

Then, engage the right point in the previously scored left line and again swing the tool left to score the left point.

## Native American basketry

Possibly the cabin could be utilized as a backcountry shelter for monument rangers patrolling Butte Valley. The reservoir southwest of the mill appears to be a 1930s or 1940s addition, built to implement the mining activity going on in the adits and prospects further west and south.

## Sawmill Creek Woodworking Community

While northern potters are not as well known as their southern counterparts, ceramic arts extend as far north as the Arctic.

## Washoe Native American Indian Baskets, Basketry
