## Tilman Riemenschneider: German Late Gothic Sculptor

The craftsman using a breast auger would lean his chest against the curved brace to apply downwards pressure against the bit while turning the tool using the lower crosspiece.

## History of Sweden (800

Byzantine visual art remained sufficiently static throughout the entire history of the empire to allow for this sweeping term.

## Swedish Art: An Introduction to Artists and Their Work

Holy Blood Altar 1501-1505 Characteristic of the of the time and opened only on certain occasions, this monochrome altarpiece in limewood Jakobskirche, Rothenburg ob der Tauber shows some fundamental Christian scenes.

## Gamla stan

Christian influence on burials can be traced to the late 8th century in some parts of Sweden. According to early legends, this was ruled by kings of the Skjöldung dynasty, predecessors of the kings of medieval Denmark. As time went on, however, a considerable number of pieces could be found in small villages.
