Emergence of a Modern Navy, 1866

Sturdee had previously served on the Australia Station and had been the first captain of New Zealand. US steamship Coatzacoalcas arrived in New York, returning Union troops from Texas.

US Fleet Organisation 1898

John Paul Jones: Father of the United States Navy, Writer's Club Press, NE. Roosevelt sent the navy's war plans director to London for consultations with the Admiralty during which a plan was drawn for possible joint action against Japan by an American fleet operating from Hawaii and a British fleet based in Singapore.

Pacific Station

All the explorers met with Indians, so called by Columbus in a letter after his discovery, when he thought that the people he had seen belonged to India. The Sixth Fleet has commonly numbered more than fifty ships, including two supercarriers organized to meet the needs of a transoceanic navy. Roman Catholics who suffered under the laws of England found peace there and Protestants were sheltered and protected from persecution.
