Lot 15

Los propósitos de la expedición serían los siguientes: incrementar el conocimiento sobre ciencias naturales botánica, zoología, geología, realizar observaciones astronómicas y «construir cartas hidrográficas para las regiones más remotas de América».

Lot 15

He measured the height of Mount Saint Elias in Alaska and explored gigantic glaciers, including Malaspina Glacier, later named after him. It has come to our attention that spam mailers senders of bulk unsolicited e-mail have been forging their mail with this domain as the point of origin.

Captain James Cook > The Malaspina Expedition 1789

Isbn 9780904180817 Isbn Type hbk. It had been known since the mid-18th century that citrus fruit was effective, but for decades it was impractical to store fruit or fruit juice for long periods on ships without losing the necessary ascorbic acid. El proyecto recibió la aprobación de, dos meses exactos antes de su muerte.

The Malaspina expedition, 1789

Only in recent times has Malaspina been restored to his rightful position as a Pacific explorer. El resto de la expedición puso rumbo al Pacífico, navegando luego a través de las y las y fondeando en en marzo de.

La Expedicion Malaspina, 1789

But many surnames of scientific figures, like the instrument makers Troughton, Dolland, Sisson, and Mégnié, or like the astronomer Maskeleyne, are misspelled, and the Dutch Newtonian Musschenbroek appears here as an Arab—Al Muschenb p. José Bustamante y Guerra desde 1789 a 1794 desgraciadamente, algunos materiales, como ciertas observaciones astronómicas y de historia natural, se habían perdido para siempre.
