Yet, there is hope: armed with the knowledge Davis provides, you too may get a correct and detailed accounting of what you actually owe—often far less than the hospital bill might imply.

Mired in the Health Care Morass: An Alaskan Takes on America's Dysfunctional Medical System for his Uninsured Daughter by Neil Davis

For anyone concerned with injustice, inequalities, or lack of checks within the system; or anyone who is concerned that they cannot afford the medical care they or their loved ones need, this clear and non-judgmental book written by a layman with no preconceptions or industry biases is highly recommended. .

Mired in the Health Care Morass: An Alaskan Takes on America's Dysfunctional Medical System for his Uninsured Daughter by Neil Davis

Neil Davis navigated this financial black hole and discovered a hidden truth: medical bills don't reflect the costs of medicine. Eventually, however, she was overtaken by the symptoms, saw a doctor, and entered treatment.

Mired in the health care morass : an Alaskan takes on America's dysfunctional medical system for his uninsured daughter

If enough Americans understand the true costs, both in money and in deaths from reliance on a crippled system, we may be able to change to a fairer, more rational, healthier system for all of us.
