Dialogue Among Civilizations

Fusion of horizons or confusion of horizons? This cultural organization contrasts the contemporary world with the classical notion of sovereign states. MICHAEL is a Research Fellow at La Trobe University's Centre for Dialogue, an Honorary Research Fellow at its School of Social Sciences, and a Fellow at the Contemporary European Research Centre, University of Melbourne, Australia. Gulen is a famous Muslim scholar in Turkey and one of the pioneers of the interreligious dialogue whose adherents initiated interreligious dialogue activities and expanded then all over the world.

Dialogue Among Civilizations

This has and will continue as a source of instability in the region with implications for its relations with other civilizations.

Civilizations and world order : geopolitics and cultural difference in SearchWorks catalog

He supports this argument by providing some historical examples such as achievement of women rights in America and Universal Declaration of Human rights where NGOs contributed to the process. In this case, the result of dialogue will be empathy and compassion.

Civilizations and world order : geopolitics and cultural difference in SearchWorks catalog

They used World Value Survey and European Value Survey to examine political and social values in 75 nations and found that there is no difference between Western society and Muslim nations as far as the political values support for democracy are concerned.

Key Insights From The Clash of Civilizations and the Remaking of World Order

Finding both approaches wanting in explaining the rise of civilizational politics in post-Cold War international relations, we build on the most recent scholarship on civilizational analysis Arnason 2003; Eisenstadt 2003; Katzenstein 2010a and advance a third Sociological perspective which aims to avoid both cultural and power reductionism while focusing on their crucial relation. Indian civilization will fail to pull Pakistan and Bangladesh into its orbit because of religious differences.

FORCE OR DIALOGUE: CONFLICTING PARADIGMS OF WORLD ORDER

Relying on shared principles, objectives, and threats in order to find shared solutions is a major step towards changing the existing situation and isolating the extremists who, by sanctifying violence and force, have spoilt the world for all its inhabitants regardless of their culture or civilization.

Civilizational Analysis in International Relations: Mapping the Field and Advancing a “Civilizational Politics” Line of Research¹

Book Summary: In recent years culture has become the primary currency of politics — from the identity politics that characterized the 2016 American election to the pushback against Western universalism in much of the non-Western world.

In Defence of Dialogue of Civilizations

Dialogue is vulnerable to being manipulated, but its spirit is not consistent with this.
