Home Energy Assistance Program (HEAP)

The rising cost of living in Santa Clara County is surpassing the amount of monthly income received for the most vulnerable in our communities.

MDHHS

CLARIFICATION ON UTILITY ALLOWANCES a ELIGIBILITY. Households with emergency situations should utilize our Walk-In Policy. Households must call our toll-free SCCAA HEAP Walk-In hotline at 330. The Secretary shall determine the total amount to be apportioned under this paragraph for any fiscal year which shall not exceed one-half of 1 percent after evaluating the extent to which each jurisdiction specified in the preceding sentence requires assistance under this paragraph for the fiscal year involved.

Home Energy Assistance Program

In some instances, households are forced to make painful decisions regarding which bills to pay and which necessities to survive without. All other processing timelines will begin no earlier than November 1. The Secretary shall issue regulations to prevent waste, fraud, and abuse in the programs assisted by this title.

MDHHS

To apply for LIHEAP, you must schedule an appointment through the LIHEAP provider in your community. Please send your formal appeal to: IHCD Attn: Community Programs Manager, EAP 30 South Meridian St, Suite 900 Indianapolis, IN 46204. Through this comprehensive program design, Michigan will serve the varied needs of the state's low income population in an equitable manner.

Home Energy Assistance Program

Please see the 2019-2020 Federal Poverty Guidelines under the HEAP dropdown for other percentages of poverty. The plan calls for the utilization of services from the Department of Human Services and the Department of Treasury.

Home Energy Assistance Program

Annual eligibility levels are determined based on available funding and may not exceed 200% of the federal nonfarm poverty level. The LIHEAP statute is codified the United States Code at: 42 U. Anyone in this situation should contact the local service provider.

The Home Energy Assistance Program (HEAP)

A state may consider the amount of the heating or cooling component of utility allowances received by tenants described in subsection a 2 when setting benefit levels under the Low-Income Home Energy Assistance Program. To be eligible for PIPP Plus, customers must have a household income at or below 150 percent of the federal poverty guidelines and they are required to re-verify household income annually or as income changes throughout the year. Sec 121 c - Requires the Secretary to report to Congress on the use of renewable fuels in providing assistance under the Low-Income Home Energy Assistance Act of 1981.

Home Energy Assistance Program (HEAP)

Governor Gavin Newsom signed on August 24, 2020 to provide additional flexibility to CSD to ensure that CARES Act funds for LIHEAP are maximized to benefit Californians in need.
