Avalon of the Heart Tours

Il suo lato mistico, mitologico e quello umano: Artù e Atlantide che s'intrecciano con le arti contadine salvate e riportate a nuova vita. The great stones seem to be brooding over their memories, like old men by the fireside whose strength has gone from them and whose minds dwell in the past. Our current situation July 2020 is that the Abbey is open 5 days a week not Mon and Tues.

Glastonbury: Avalon of the Heart by Dion Fortune, Paperback

He should see the Tor crowned with the circle of standing stones of the sun-worship, below it, the Well of the Wisdom of Merlin. It's a nice description of Glastonbury, seen through the eyes of Dion Fortune.

Glastonbury Avalon of the Heart

There is no stone like this in the neighbourhood.

avalon of the heart

Wherever mystical forces make themselves felt in our national life, the voice of Glastonbury is heard; never dominating, but always influencing. Treat display serves as an invitation, found meditation and daily positive affirmation for passers by. Used items may not include supplementary materials such as CDs or access codes.
