Reasons for the British Colonization of North America Example

In 1441 was the year when the Portuguese finally obtained gold from Africa.

Explorers and Discoverers After Columbus

After the epidemics had already killed massive numbers of indigenous Americans, many newer European immigrants assumed that there had always been relatively few indigenous peoples. From the middle of the 15th century forward, France tried to establish several other colonies throughout North America that failed due to weather, disease, or conflict with other European powers.
