Export Controls

If you are unsure whether a license is needed for your items, please contact the Export Compliance Officer. What is the next step? There you can view all the public comments that have been submitted to date.

Policy & Guide

After you receive your approved Shipping Information Form, set up your shipment request in eShipGlobal.

U.S. Export Controls

The full export control policy is available.

Guide to Submitting Public Comment on Export Controls for Emerging Technologies to BIS

BIS offers a variety of training sessions ranging from one to two-day seminars. Research identified as potentially problematic will be routed to the Chief Export Control Officer for further review.

Policy & Guide

In circumstances under which such shipments are required, UT Dallas will have to apply for an export license from the appropriate regulatory agency.

Brief Guide to Export Control Review

How this will help you: The Handbook remains one of the best-selling works in the trade law portfolio.
