The second main meaning is to be robust, hardy, or sturdy, and the third is to prevail. The One whose vigor and strength prevail over all of creation.

Surah Al

We had made them more established in the land than you.

Beautiful Names of Allah: al

How Can You Live By This Name? Its prestigious academic reputation may have transcended religious divisions, if, as a popular tradition suggests, Gerbert of Auvergne 930-1003, who would become Pope Sylvester II and who is credited with introducing the use of zero and Arabic numerals to Europe, was once a student at al-Qarawiyyin. Stuccoed brick, with stone and tile revetment, and carved cedar wood are the primary materials used for the structure and ornament of the mosque proper.

Surah Al

However, al-Qarawiyyin's T-shaped plan, created by an elevated central aisle perpendicular to an aisle fronting the qibla wall, belongs to North African mosque tradition. The Mosque of al-Qarawiyyin, near the Suq al-'Attarin, or Spice Market of Fez al-Bali, is one of the world's oldest universities, and among the largest mosques in Africa.
