## Commentaries on the ninety

The pattern reveals a hermeneutic modality where kufr becomes an allusion to passivity or disinclination towards Sufism that is borne of indolence.

## KONSEP PENDIDIKAN KARAKTER DALAM AL

This order enjoyed an elite social status and wielded significant political clout. Urwatul Wuthqā The Firm Handhold 2:256 40.

## Commentaries on the ninety

He also met the challenge of overcoming the elliptical mystical language of exposition that was used by earlier Sufis; accordingly, he successfully simplified the ambiguous style of writing and decoded their enigmatic mystical doctrines.

## Tafsir Sufistik Ibn Ajibah: Memahami Al

Su huf Scriptures 80:13 98:2 53. His importance in Sufi scholarship is a reflection of the fact that he is one of the original Sufi scholars who contributed immensely to elucidating ambiguous Sufi concepts that were, by their very nature, enigmatic and only accessible through Sufi adepts. Evidently, he emphasizes issues which he deems are more immediate or urgently required given the social and political conditions around him, even if this is done at the expense of passing up an opportunity to delve into a deeper metaphysical level.

## Qur'ān

Based on data from the results of the research found the concept of character education in Q. The edition and annotated translation of al-Qasim's epistle Kitab al-Mustarshid is preceded by a detailed introduction, which treats early Islamic theology.
