Work-life balance and career satisfaction is an important part of our culture. Our hospital is a 4200 ft<sup>2</sup> stand alone building with separate cat and dog entrances, a large surgical suite, a new dental suite and a newly renovated, spacious treatment area. We partner with emergency clinics for our out of hours care.

## Laboratory Rat Procedural Techniques (Manual)

We have a 3 to 1 technician to vet ratio with additional support staff. This is a full-time position but part-time for the right person may be considered.

**Veterinary Laboratory and Field Manual: A Guide for Veterinary Laboratory Technicians and Animal Health Advisors by Susan Cork (Hardcover, 2001) for sale online**

Our clients are a feature of the clinic themselves - we have a long-established and multi-generational clientele, who value the compassion and high standard of service our entire team delivers. As a team member you will have an outstanding support staff and mentorship as well as the opportunity to develop your specific area of interest. Then it boldly steps over that line and discusses what you might do when you really don't have any choice.
