Foreign policy of the George W. Bush administration

What were the different inputs and how did the policy process unfold in order to bring about such radically different actions—or non-actions—by the U.

U.S. and Russian Policymaking With Respect to the Use of Force

After UNSCOM's investigations and the discovery of irrefutable evidence, Iraq was forced to admit for the first time the existence of an offensive biological weapons program. During the Cold War, Somalia held some geopolitical importance, particularly with regard to its proximity to the Middle East. Subsequently, was issued, authorizing new inspections in Iraq.

King meets Royal Committee to Modernise Political System chair, members

Ironically, the media was taking less interest in Somalia in November 1992 than they had in August 1992, yet the political, social, and humanitarian situation was far more critical in November.

Iraq and weapons of mass destruction

The pioneering experience created an attractive product which was acquired by Maktoob Group, the leading Arabic Internet company that was acquired by Yahoo.

King meets Royal Committee to Modernise Political System chair, members

Dissenters from the decision to start the war, like former-Minister of Justice Yuri Kalmykov, simply had to resign.
