Star Wars: The Empire Strikes Back: 10 Best Quotes

Yet at that time I could not imagine what had happened in Asia where the Japanese Army had been active during the War.

Kingfisher Airlines declares temporary lockout

The particulars of individual European countries varied.

1994

It is another element that makes The Empire Strikes Back such a beloved film, as the romantic and sexual tension between Leia and Han slowly builds amidst all the adventure and galactic drama. Let me sit down and write this for you.

Defensive Lockouts

The shooting down of the workers by the republican bourgeoisie in the June days of 1848 in Paris finally established that the proletariat alone was Socialist by nature.
