## Read Sekaiichi Hatsukoi

The series does maintain its serious tone on occasions though. Oh, if only it were that easy. No fantasy romance is complete without a rival such as Airi Ortinet, the mature older woman Ceara August, foolish Nova Luminous, senpai Lore Beriferal, or the sidekick Lamdimia Do Aximemor.

## Aizawa Shouta

The noble path fantasy story of a young boy who is wicked and clumsy from time to time.

## Yuzuru Nishimiya

Other than Airi, who gets a minuscule amount. A charismatic and enthusiastic girl who always tries her best and gets happy at the smallest of things.

## Tensei Kizoku no Isekai Boukenroku ~Jichou wo Shiranai Kamigami no Shito~ (Title)

It is quite pleasing to the eye to look at, and the quality doesn't really dim down or anything. He would have to visit a local Omega House and take home a stranger. Being given so much protection from the gods, he overcame any obstacle aka Flags while hiding his unbelievable status.

## Hoshigaki Clan

Her Grandmother then tells her that it's different because she's doing it for herself.

## Aizawa Shouta

In a world both vastly different and remarkably same as the one we're used to, Izuku Midoriya is born over 17 years early. Please do NOT post on another site or repost on this site. It did feel a bit different when watching it, and it was executed in an original and different way; but all in all, it

was still the same thing, regardless.

### **Tensei Kizoku no Isekai Boukenroku ~Jichou wo Shiranai Kamigami no Shito~ (Title)**

He was a vigilante at the age of six, using his technology-type quirk to gather information and send it off to Pro Heroes and police. The OP song is like a rainbow of fan service of colors. Luckily over time, there are some development for the duo as Fino gets more situated to her new life.

### **Read Sekaiichi Hatsukoi**

There's a big, big reason that this show has been walled off by some people in the anime community. Make that two big, big reasons. Additionally, humans also see demons as vile evil but Raul treats Fino with care. The pacing is rather steady the whole way through, and didn't feel rushed or anything.
