Kurdish Alevism

They also acted as judges or arbiters, presiding over village courts called. Alevite has so many esoteric teachings to reach the secrecy and non-alevi can not know and reach the reality of us. Biz Rabbimizin yanındaydık ve bizim dışımızda hiç kimse yoktu.

Alevis

The same person added two paragraphs in the middle of that section. Or is that man-made also? Further information: and The historical emergence of the and other related non- The schematic history of the development of the - from other ibn Fatimah bint Qays bint 'Ali bin b. Isolated within what became Sunni Ottoman territory, Alevis have long been reviled.

Refworld

Main article: During the violent suppression of the rebellion of the local population of province by the Turkish Army in the summer of 1937 and the spring of 1938 thousands of Alevi Zazas Zazaki were killed and thousands more were taken into exile, depopulating the province. Some hold that Khidr comes to the rescue of those in distress on land, while Elijah helps those at sea; and that they meet at a rose tree in the evening of every 6 May. .

Kurdish Alevism

Hristiyanlık da Roma paganizmine, yönetimlerin zulüm ve baskılarına karşı aykırı inanç ve toplumsal gerçeklikleriyle ortaya çıkmış; ama Roma imparatorluğunun bilim, felsefe ve siyasal erkinin yüksekliği ve güçlülüğü, onun devletin egemen dini olmasını yaklaşık 400 yıl geciktirmiştir. The dedebaba was considered to be the highest ranking authority in the Bektashi Order.

Alevi Kaynakları

This article falls far from the truth and closer to pro-Islamic propaganda. We dont have sex during our service and we dont have to be muslim. Routledge: 2003, and no page number is given.

Alevi history

İvanov yayınında, Zarubin kopyasını temel alarak aldı.
