### Deirdre : a celtic legend : Guard, David, 1934

As soon as the sons of Uisnech landed in Erin, Ferchar Mac Ro sent word to Connachar, king of Ulster, that the men whom he wanted were come, and let him now show kindness to them. She was given into the care of Leabharcham, a wise and satiric woman, to be raised as a fitting bride for a King. The monks in Ireland wrote down the ancient myth on illuminated manuscripts during the Medieval Ages.

### Deirdre: A Celtic Legend book by Gretchen Guard (Illustrator)

Though early rose the song of the birds mid the rocky caves and the music of the birds in the grove, earlier than that did Connachar, King of Ulster, arise, with his little troop of dear friends, in the delightful twilight of the fresh and gentle May; the dew was heavy on each bush and flower and stem, as they went to bring Deirdre forth from the green knoll where she stayed.

### A Celtic Tale: The Legend of Deirdre

Allen then cried out that he was getting faint and nigh-well giving up. Conchobar ordered his forces to attack the place where they were staying and it ended with Naoise and his brothers being killed. He reached the side of Loch-Ness and made his habitation there.
