## WW2 Army Air Corps (Air Force) Unit Records Research

From the 3rd Bomb Division whose aircraft were identified by a white square were the 94th Bomb Group, at Bury-St. Both were beefy, powerful aircraft, capable of absorbing considerable battle damage and still returning to base.

## WWII in color: Rare photos from 1942 show Flying Fortress bombers and their heroic crews in The Mighty 8th Command

New York: Macmillan Publishing Company, 1985. The ability to provide fighter escorts end-to-end on bombing missions had a profound effect on bomber losses suffered over Germany.

## History

In the end, the 100th, located at the tail end of a 15-mile bomber stream, was left unescorted when one of the P-47 units never appeared. Elements of the 2 SS Panzer Division, operating south of the devastated 1 SS Panzer Division, besieged Hill 317, in whose shadow Mortain is nestled.

## WWII in color: Rare photos from 1942 show Flying Fortress bombers and their heroic crews in The Mighty 8th Command

At least 10,000 German soldiers died, and 50,000 fell prisoner. Even with the reductions forced by considerations of shipping, production, training, and the demands of other theaters, the proposed build-up underscored the ambitious scale on which leaders of the AAF projected plans for their major effort.
