## Poetae Epici Graeci: Testamonia et Fragmenta, Pars II: Orphicorum et Orphicis similium Testimonia et fragmenta, Fasciculus 2

Le parafrasi, nella stessa maius... Entry Version: This is the English version of this article translated by Patrick Hogan. The only thing that Valens tells us about the text in this particular chapter is that Petosiris dealt with the Lot of Fortune in a way that was similar to Nechepso. Actes du colloque organisé les 7 et 8 décembre 2007 par J.

But what matters more in epic poetry, as in real estate, is location: if a word or phrase in Orpheus falls in the same position in the line as it does in Homer, Hesiod or the Hymns, a more plausible case can be made for a connection than if all the two authors share is a bit of not necessarily very rare vocabulary. This is five to ten times the acceptable rate of error in a carefully prepared critical text and suggests that the references were not checked or corrected systematically. Only a summary of Thrasyllos astrological text survives, but would have been written sometime around the

early 1st century CE.
