PSA: Manners for men : adultery

Today, this dependency is dwindling—at least on the surface, where most people live.

Taste, Manners, Morals

It is highly unlikely, then, that bisexuality would be the least representative of the three categories. Tenderness grows out of care and courtesy, out of graceful gestures, and out of a quiet, attentive concern. A rogue tongue coming unannounced and full speed into a gal's vagina feels less like a sexy overture to oral sex and more like getting prodded at the gynecologist.

This is such a great article Kris Wolfe!! We have spent 42 years together, and I do things for him as well, not because I HAVE to but because, I WANT to. They are all terrible monsters! You deserve respect as an adult person who can make your own decisions. Familiarity, then, is both an offense to good manners and a substitute for them, a way of getting others to your side with the speed and impersonality of a transaction on the stock exchange.

Essential Manners for Couples: From Snoring and Sex to Finances and Fighting Fair

I think an important characteristic of a lady is to be kind and nonjudgmental.

You get to be treated like just another guy, at best just a friendly competitor. Obviously every relationship is different and goes on a case by case basis.

The 22 Best Sex Toys for Couples in 2020, According to Experts

The children and those raising them are capable enough of determining what their own gender is and means. Is that the way things should be?

When my husband asked my father for his blessing I did not feel like a little girl or like my opinion did not matter but rather I felt blessed. Watch what you drink and what you say or else you might get a slap in the face.
