Polar bears : proceedings of the Tenth Working Meeting of the IUCN/SSC Polar Bear Specialist Group, October 25

Variation in the response of an Arctic top predator experiencing habitat loss: feeding and reproductive ecology of two polar bear populations.

Polar bears : proceedings of the Tenth Working Meeting of the IUCN/SSC Polar Bear Specialist Group, October 25

Adding those dropped estimates back into the global totals makes it possible to generate a graph in which the global estimates are truly comparable over time. Emphasis on polar bear conservation and management with reports from Canada, Greenland, Svalbard, Norway, Alaska and Soviet Arctic.

Polar bears : proceedings of the Tenth Working Meeting of the IUCN/SSC Polar Bear Specialist Group, October 25

Working Meeting Publisher: Gland, Switzerland : IUCN--The World Conservation Union, ©1991. In the complexity of possible interactions between climate change, local harvest, and in some areas high levels of pollutants, an increased level of international cooperation was advocated. The E-mail message field is required.
