The CAA has company in demanding that governments rev up the concrete mixers and lay more asphalt. Rating from 3 very beneficial to —3 very harmful. Many economists consider urban traffic congestion virtually unsolvable without some sort of congestion pricing.

A road pricing strategy for Greater Vancouver

Cars that are not equipped with the device are photographed, matched to a motor vehicle database, and then billed by the integrated system. Federal and state gas taxes, supporters say, will not provide enough money to pay for billions of dollars in needed highways.
