Teaching Styles: Different Teaching Methods & Strategies

The 6-step guide to flipping your classroom.

Teaching and Learning Resources

Others might choose to work from a local coffee shop or library to eliminate their urge to multitask at home.

Relief Teaching Tips, Resources, Support and Online Courses

This is an excellent idea too. For example, I have been using predict, notice, and wonder often as a strategy when I introduce a new concept.

16 Effective Classroom Management Strategies & Techniques

Communication with children and parents is important. Most online courses are hybrids, using a combination of synchronous and asynchronous activities.

16 Effective Classroom Management Strategies & Techniques

For teachers or students who don't have Wi-Fi at home, districts must figure out how to buy or rent Wi-Fi hotspots and then have a plan for distributing both devices and hotspots. The job of the online instructor, argues each of the authors, is to understand and direct non-verbal communication so that students experience a learning environment that captures a high level of student interest and enjoys high levels of student retention.

Relief Teaching Tips, Resources, Support and Online Courses

Non-digital learning allows the student to get involve. I found that parents need the technology training just as much as the students did.
