Renewing America's Food Traditions: Saving and Savoring the Continent's Most End

I really enjoyed the section on the American Chestnuts. Gary Nabhan, the volume's editor, argues that by renewing these traditions, we might be able to revise endangered or threatened species. And that's a thesis of the book.

Renewing America's Food Traditions: Saving and Savoring the Continent's Most Endangered Foods — WHISTLESTOP BOOKSHOP

Fun to read about America's Top Ten Endangered Foods as well as America's Top Ten Success Stories! So sad what happened to those majestic trees. In addition, this book offers a tool-kit to engage those who wish to personally support and participate in such recoveries, and a list of food festivals held across the continent to honor and enjoy some of the country's most iconic foods, from crab cakes to maple syrup and file gumbo.

Renewing America's Food Traditions: Saving and Savoring the Continent's Most End

There's some interesting history, nice photos and recipes that encourage people to try unfamiliar ingredients but putting all the emphasis on the most endangered foods rather than the most practical wasn't the best choice I really like the idea of this book. Free eBook here: Interesting, and only about 45 pages. Renewing America's Food Traditions Saving and Savoring the Continent's Most Endangered Foods Editor 978-1-933392-89-9 Most conservation efforts appeal to ethics or emotion.
