## Ethics in Hinduism

In the case of Christianity and Islam, laws against heresy, blasphemy, and apostasy were so strict as to even invite punishment by death. He can be realized only through a constant effort to merge oneself with His nature through meditation and devotion. Devotion Bhakti will cancel the effects of bad Karma and will bring a person closer to the true knowledge by purifying his mind.

## Does Ethics Require Religion?

However, the security of a permanent academic post in Madras eluded him. Advaita Vedānta up to Śaṅkara and his Pupils. Theists hold that God is, rather, a substantial reality: a being not explainable in terms that are more fundamental than itself.

## What is secularism?

In the present work, such thoughts have been taken into account, in detail and doubts raised by scholars like Jacob, have
