**Learning Disabilities Books, Difficulties, Disorders Guide Book, Advice for parents, teachers of children, slow learners**

A learning disability can cause a person to have trouble learning and using certain skills.

**Learning Disabilities Books, Difficulties, Disorders Guide Book, Advice for parents, teachers of children, slow learners**

Includes management techniques that promote on-task behavior and language arts, whole language, and multi-sensory instruction strategies that maintain student attention and keep students involved. Children are learning all the time, especially when they are playing.

### Information for Parents/Guardians

The student may also participate as a member of the team, as appropriate. If your child is having a problem feeling comfortable and safe at school, it is important that you communicate with and work with the school team to solve the issue as quickly as possible. What ideas can your children suggest? Is there anything your children can make from any items in the drawer? Parents have made this difference! People with reading barriers can customize their experience and read in ways that work for them.

### Special Education Publications

Special Needs Resources The following web sites provide information about resources for children with Special Needs.

### Resources for Families & Children with Disabilities

Let your children know that they are an important part of the family. In an inclusive school, all students are provided with the supports and opportunities they need to become participating students and members of their school communities. What would you do when you got there? When the surprise drawer is for children, it should be in a safe and accessible location, such as a bottom drawer.

## **Student Services**

How do you think a rainbow gets in the sky? Encourage your children to describe all the things they feel or experience. Things to Think About  
Were the activities you selected fun for you and your family? Parents Helping Parents of Wyoming, Inc is a private, non-profit organization founded in 1990. It is important to read the school division policy and to follow the line of communication provided.
