The Natural Speaker is a concise, practical, inexpensive, student-friendly guide to public speaking that explores the basic skills necessary to present a natural, effective, and rewarding speech to any audience. I sold my original copy back to my school's bookstore and now I am regretting it.

FUJISHIN, The Natural Speaker, 8th Edition

As you begin to learn and grow, picking up techniques and toddling along; you'll begin to put them into real practice.

Is it any wonder I've always tried to be perfect? I get nervous and can't focus. He did convey a few relevant morsels, that we are the presenters, that it was our essence that speaks to the audience, but his three minutes passed with us mesmerized by his captivating personality. After all, I had never played president, and was prematurely thrown into this role.

The natural speaker chapter 1

The sound is amplifying inside of ceramic and wood transmission construction, and the sound is slightly echoing and making a natural feeling of resonance sound inside during the process. I'm willing to loosen up, and have as much fun as possible, and in future meetings, will do just that. He even called home to say nice things about me to my mom.
