Thomas De Quincey: Miscellaneous Essays

What nation but ourselves ever made the language of its eternal enemy an essential part of even a decent education? A smaller sum I had given to my friend the attorney who was connected with the money-lenders as their lawyer, to which, indeed, he was entitled for his unfurnished lodgings. The books are in a white box with images and book titles on the back.

T.L. Peacock

Sometimes I wrote letters of business for cottagers who happened to have relatives in Liverpool or in London; more often I wrote love-letters to their sweethearts for young women who had lived as servants at Shrewsbury or other towns on the English border. If you could provide me with any information I would forever be in your debt.
