### Waves Across the South by Sujit Sivasundaram review

Any indentured laborer who left before the contract ended was considered a criminal and subject to a prison term. Even in modern times, shipwrecks are relatively common in the turbulent water of Agulhas Bank, where colliding currents regularly spin off, and meanders. This body of international law forms the basis for national, regional, and global action and cooperation in the maritime sector and is vital to ensuring the free flow of global commerce.

### Hinduism in South Africa

. The first ships carrying indentured Hindu labourers for plantations in British Empire left India in 1836. Shades of chocolate, sepia to blackish brown and pale, chalky or milky blue.

### Small states, China and the South China Sea : Handbook on the Politics of Small States

In the Cape Colony in South Africa, the indigenous Khoikhoi and the trekboer farmers — both groups of subsistence pastoralists — revolted against the Dutch authorities, angry about their frail economic circumstances.

### Fifth Anniversary of the Arbitral Tribunal Ruling on the South China Sea

Publishers named above each report are responsible for their own content, which AllAfrica does not have the legal right to edit or correct.
