The objects in this catalogue, illustrated primarily in colour, reflect Pugin's pioneering diversity as a product designer, and the modernity of his principles.

The Rise of 20th Century British Glass.

The objects and purposes of this association shall be to promote and cultivate the practice and appreciation of all branches of the fine arts, to assemble and maintain in the town of Provincetown and environs a collection of works of art of merit, to hold exhibitions, and by forums, concerts and similar activities to promote education of the public in the arts and social intercourse between artists and laymen. Already in the 'Bureau for Surrealist Research' three months before the first issue of *La Revolution surrealiste*, 32 What is a surrealist photograph? Decentring the Avant-Garde presents a collection of articles dealing with the topography of the avant-garde. With the use of rare archival film and photographs, as well as eye witness accounts, *Australian Atomic Confessions* chronicles the hidden history and exposes previously hidden Government cover-ups.
